

## Oh Shit.

An infected party member was not detected in a MedCheck and infects another member.

Kill them both before it spreads.  
Emergency MedCheck.

## Morale

Your survivors rebel against your totalitarian style of ruling.

You must shoot one survivor to quell the insurgence.

## Morale

If you want to, you can spend \$1500 in supplies to fund a propaganda campaign:

“Free Candy to all my Members!”

All players roll one die. Anyone who rolls less than you must give up one member.

## Morale

If you want to, you can spend \$1500 in supplies to fund a propaganda campaign:

“We Gotz Hot Chicks!”

All players roll one die. Anyone who rolls less than you must give up one member.

## Party Increase

Milla Jovovich seeks shelter with you for two nights.

You are immune to the next two zombie attacks.

## Oh Shit.

Shotgun cleaning accident.

You lose Survivor 3

You're not dead yet.

Carry on.

## Party Increase

Two of your survivors start getting jiggy with it.

You gain one survivor.

## Morale

If you want to, you can spend \$3000 in supplies to fund a propaganda campaign:

“Condoms are for suckers!”

Roll one die. Gain that number of survivors.

## Morale

If you want to, you can spend \$3000 in supplies to fund a propaganda campaign:

“Free Wireless”

All players roll one die. Anyone who rolls less than you must give up one member.
