

OH FUCK!!!

Zombies attack all foraging parties!
Any player not on their own property
must undergo an immediate MedCheck.

OH FUCK!!!

Zombies attack your foraging party!
You must undergo an immediate
MedCheck.

Zombies!!

While running from zombies, you sprain your
ankle.

On your next turn, you only get
To roll one die.

OH FUCK...Literally.

You find a survivor in the woods. She has a cut on her
arm but she's smoking hot. Roll to see if you'd hit
that. (1-3, not hot enough to risk it. 4-6,

bowchickabowwow)

Emergency MedCheck.

If infected: you both die. Assign a new party leader.

If clean: you gain one party member.

fleeing!!

Adrenaline pumps while you run away from
zombies.

Take another turn.

OH FUCK!!!!

Zombies attack while your party is
foraging. You must negotiate to gain
refuge in the closest available bunker
(green house).

Go get that player a drink.

Zombie Attack!!

Pay \$200 in repairs.

Zombie Attack!!

Zombies break into your base!

You must abandon it.

Your most expensive property is now available to be re-
secured.

Zombie Attack!!

Zombies break into your base!

Spend \$400 in repairs.

Emergency MedCheck.

Zombie Attack!!

Zombies break into your base!

You must abandon it.
